Applied Sciences  
University House  
Gnana Gangothri Campus  
New BEL Road, MS Nagar  
BENGALURU – 560 054

Dear Dr. Shankpal,

I am very much thankful to you for deputing the team of scientists to UAS, Dharwad for display of **AGRI-ROBOT** during the Krishimela of the University held recently. It has attracted thousands of farmers and many other people involved in Agriculture. The mode of working was appreciated by farmers, agro industrial entrepreneurs and also general public. I hope the **AGRI ROBOT** caters to the future needs of the farmers by reducing their hardship.

The four day Krishimela was very successful and witnessed by about 15 lakh people comprising farmers, agro industrialists, progressive farmers, farm women and general public.

I request your esteemed cooperation in further development of technologies helpful for the upliftment of farmers.

With profound regards,

Yours sincerely,

  
(D.P. BIRADAR)
