Guidelines to Prepare Topic Presentation for Admissions to Research Programmes

The presentation should include the following details:

1. Motivation for the Work
2. Introduction on the Research Topic
3. Current Issues and Trends
4. How are they being addressed in Literature
5. Proposed Work or Contribution Planned
6. Significance of the proposed Research

Note: The duration of your presentation is 15 minutes and accordingly plan the number of slides. The Presentation mode is through PPT only.
